Jeff - welcome to the Passaic River CAG. I added you to the lowerpassaic listserv. We have around 470 members and use it to send periodic updates on the project.

Much of the information that you may be looking for is on the main project Web site at www.ourpassaic.org. Please let me know if you are looking for more than what is contained there and I can try and help.

Subject: New PRCAG Member

Doug, Debbie & PRCAG Members,

I would like to thank each of you again for entrusting me with membership to the PRCAG. As a new member I will do my best to support the mission at hand. Likewise, I am looking forward to teaming up with Lenny Thomas in putting some horsepower into the community outreach committee.

In order for me to support my role in the best way possible I will require the following information.

1. Basic historical time line of the lawsuit against Tierra that established the start of this project.
2. Transcripts of communications/press releases issued by allied agencies and by Tierra.
3. Copies of all power point presentations given by allied agencies to the PRCAG.
4. Biological/ecological data regarding the rivers health (basic info)
5. Information regarding the contractors/sub-contractors involved in the dredging AND land-based

remediation.

You can email this info to me, or, if required, you can mail it directly to my office. My mailing address is:

240 Park Avenue / 2nd Floor

Again, thank you for the opportunity to be of service to PRCAG.

Sincerely,

Jeff Weiss
